

# AUTISM

*does not have to be a life sentence.*

**Free Lecture and Presentation**

## Breakthrough Strategies for Autism Spectrum Disorders

by Autism  
Treatment Specialist

**RAUN K.  
KAUFMAN**

Raun K. Kaufman is an international lecturer, writer and teacher for The Son-Rise Program® at the Autism Treatment Center of America™. In his work with families, children, and professionals from around the world, Mr. Kaufman brings a distinctive qualification to the realm of Autism treatment—*his own personal history as a person fully recovered from Autism.*
